## Description

Maple Hurst Farms is everything you could possibly imagine. This 9.9 acre parcel of land was once a thriving farm rich with history. As you drive down the driveway you are instantly captivated at how tranquil everything becomes. The home is something out of a novel with porches, beautiful detail on the doors and large windows with views of Peninsula lake. The home has been updated and it stands the test of time. Large living room with views of the meadow. Updated kitchen with views of the forest; built in appliances, high ceilings, propane stove and plenty of room for people to gather. Walk into the office which is home to a dog grooming shop. Equipped with bathroom and walk out separate entrance. The den or sitting room is a perfect area for reading a good book or relaxing. The second floor has 4 bedrooms; bathroom and a walk out balcony where you can sit and watch the world go by and the sunsets behind the barn. The 3rd floor is an unfinished attic - finish this space off and let your creativity flow! The land is spectacular, open level space with a large barn; storage building, an old workshop and a chicken coop. Maple Hurst Farm is just waiting for you. (id:2469)
